Youth Sports Policy Review and Agreement

Registration and Transfers

Participants register for classes that meet on specific days and times. All courses are filled on a first-come basis. In order to receive a member rate, membership must remain active for the term of the entire program. Holiday closings are included in the number of sessions and price of classes. Classes may be prorated for late registrants based on class limits and availability. We strongly recommend that you register for the appropriate class at the time of payment. Once payment is received, there will be a $25 administration fee to transfer payment to a different class/group.

Make-Up and Refund Policy

The Shorefront Y is not responsible for providing make-ups, credits, or issuing refunds for programs or classes missed as a result of participant illness, emergency or other events beyond the control of the Shorefront Y. One make-up is allowed per term for participants who have paid in full for that term and will not be available for registrants who have joined after the third session of the class.

Upon injury or unforeseen inability to participate mid-session, it is the participants' responsibility to bring a written doctor's note within 3 days of the injury in order to qualify for a refund or credit. All refund and credit requests must be submitted in writing to the reception and will be computed from the date received. Please note that there will be a $25 administration fee for processing requests.

Cancellations

The Shorefront Y reserves the right to cancel a program due to low enrollment or cancel classes in the event of inclement weather, unavailability of an instructor (in the absence of a substitute) and any situation as deemed urgent by the administration. Every attempt will be made to inform registrants of their class cancellation. If a program is cancelled due to low enrollment, you will receive notification and a refund or credit for the cancelled class. We will make every effort to reschedule cancelled classes depending on when they are cancelled in the season and the feasibility of providing make-ups.

Program Cards

Members are issued Shorefront Y membership cards, which they must scan in order to enter the facility. Users/non-members of the Y will be issued program cards upon registration for the term of the program. They must present their program cards to the security desk in order to access the facility.

Locker Room

The Shorefront Y urges participants to take advantage of our locker rooms in order to secure their personal belongings. You may bring your own lock or purchase one at the reception. The Shorefront Y is not responsible for any items stored in lockers and does not accept responsibility for lost or damaged items. Children age 6 and over must use gender-appropriate locker rooms. **Appropriate sports attire is required for all classes.**

Parent Visitation

For children's sports programs, parents may be present during classes on the first day, mid-term, and final day of lessons to observe and encourage their children. Parents are not allowed to be present during all other classes.

If you have any questions, please feel free to contact our **Fitness Director at 718.646.1444 extension 314.**

Swim Team Policy Review and Agreement

Registration and Payment

Swim team is a 9-month program and participants are required to make a commitment for the length of the entire year. Practices are held 5 days a week. New participants will have try-outs for orientation purposes and group placement. In order to receive a member rate, membership must remain active for the entire year. Holiday closings are included in the monthly rates for swim team. Swimmers must be registered in USA Swimming to participate in program. Classes may be prorated for late registrants based on availability.

Make-Up and Refund Policy

Attendance is the sole responsibility of the participants and there are no make-up practices. The Shorefront Y is not responsible for providing make-ups, credits, or issuing refunds for missed practices that are a result of illness, emergencies, or other events beyond the control of the Shorefront Y. Participants must give a 30 days written notice in order to withdraw from Swim Team without being charged for the following month. Swimmers withdrawing from a program before the end of the month will not receive a refund for the remainder of the month.

A prorated weekly credit may be considered in case of serious injury or illness where the swimmer cannot participate for the rest of the month. In such cases, written notification from a parent and a doctor must be submitted no later than three days after the incident. A swimmer will be considered absent from a program until a written withdrawal notice is received. Please note that there will be a $25 administration fee for processing credits. All refund and credit requests must be submitted in writing to the reception and will be computed from the date received.
